

February Half Term Wildlife Trail

Join our self-guided trail this February half term and enjoy a fun outdoor adventure for the whole family.

This trail takes you through countryside that would be affected by the proposed Adlington New Town development. Find out more about the campaign to protect this landscape at SaveAdlington.co.uk.

Start at The Windmill pub (SK10 5SJ) to collect your trail checklist. The Windmill is closed on Mondays and Tuesdays, but if you would like to take part on those days, you can download from our website.

Follow the map at your own pace and see how many wildlife animals you can spot along the way. Wellies recommended, some parts are muddy!

Once you have completed the trail, return to The Windmill to enjoy a drink and maybe a tasty bite too.

FUN • FREE • PERFECT FOR ALL AGES
Helping families explore and protect
our local wildlife and nature

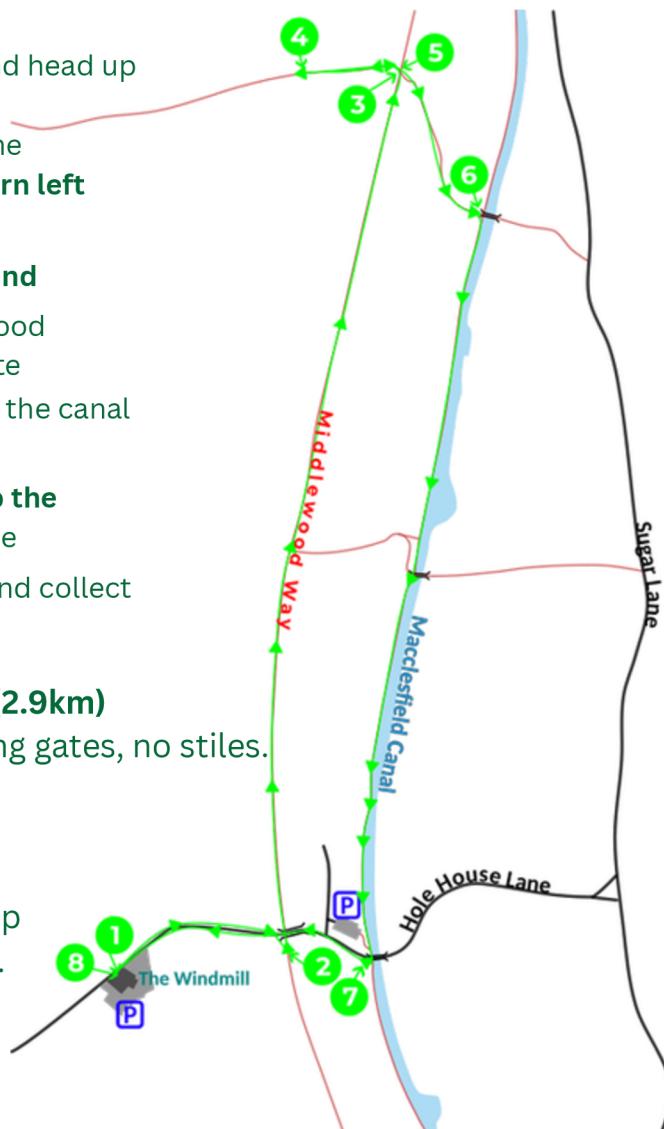

SaveAdlington.co.uk

- 1 Start at **The Windmill** and head up Hole House Lane
- 2 Go **down the steps** on the Middlewood Way and **turn left**
- 3 **Turn left** into the field
- 4 At the big tree **turn around**
- 5 **Cross** over the Middlewood Way and through the gate
- 6 Go **down the steps** onto the canal path and **turn right**
- 7 Under the bridge and **up the steps** on Hole House lane
- 8 Finish at **The Windmill** and collect your certificate

Total distance: **1.8 miles (2.9km)**

There are steps and kissing gates, no stiles.

This trail passes through grazing land. Please respect livestock and keep dogs under close control.

DonateForAdlington.com
Please consider donating to the campaign. We're local volunteers and everything we do is funded by the support & generosity of local people like you.
